

Out of My Head- Fastball (1998)

INTRO: D /// | F#m /// | G / D / | E7 / A7 / |

D
Sometimes I feel
F#m
like I am drunk behind the wheel
G D
the wheel of possibility
E7 A7
How ever it may roll
D
Give it a spin, see if you can
F#m
somehow factor in
G D
you know there's always more than one way
E7 A7 D
to say exactly what you mean to say

D A
Was I out of my head
Bm
was I out of my mind
D D7 G
how could I have ever been so blind?
D
I was waiting for an indication
E7 A7
it was hard to find
D A
Don't matter what I say
Bm
only what I do
D D7 G
I never mean to do bad things to you

D
so quiet but I finally woke up

E7 A7 G G
if you're sad then it's time you spoke up too
