

Everybody Talks

D
Hey baby won't you look my way
G
I can be your new addiction
D
Hey baby what you gotta say?
G
All you're giving me is fiction
D G
I'm a sorry sucker and this happens all the time
A

I found out that everybody talks

Everybody talks, everybody talks

Chorus:

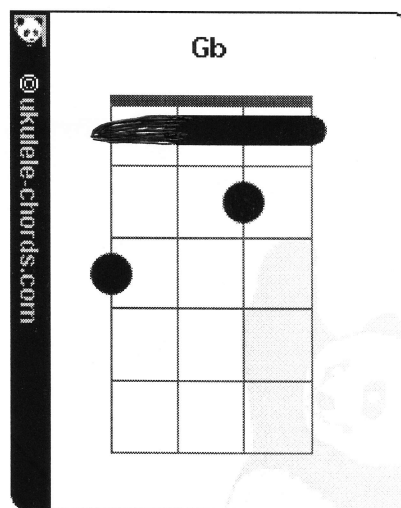

D
It started with a whisper
G
And that was when I kissed her
A G
And then she made my lips hurt
D
I could hear the chit chat
F#
Take me to your love shack
G A
Mamas always gotta back track
D
When everybody talks back

Verse 2

D
Hey honey you could be my drug
G
You could be my new prescription
D
Too much could be an overdose
G
All this trash talk make me itchin
A
Oh my mouth Yeah

Everybody talks, everybody talks

F#

N.C.
Everybody talks, too much

Chorus:

D
It started with a whisper
G
And that was when I kissed her
A G
And then she made my lips hurt
D
I could hear the chit chat
F#
Take me to your love shack
G A
Mamas always gotta back track
D
When everybody talks back

Brigde:

G
Never thought I'd live
D
To see the day
G A D (for 4 bars)
When everybody's words got in the way

D
Hey sugar show me all your love
G
All you're giving me is friction
D
Hey sugar what you gotta say?

Hard stop

Chorus:

D
It started with a whisper
G
And that was when I kissed her
A G
And then she made my lips hurt
D
I could hear the chit chat
