

Changes in Latitudes, Changes in Attitudes—Bimmy Juffet

INTRO (4 beats each):

G D A D
G D A A(2) D D

[Verse 1]

D G
I took off for a weekend last month
A D
Just to try and recall the whole year
D G
All of the faces and all of the places
A D
Wonderin' where they all disappeared
Bm7 F#m
But I didn't ponder the question too long
G A
I was hungry and went out for a bite
G D
Ran into a chum with a bottle of rum
A D
And we wound up drinkin' all night, it's those

[Chorus]

G D
Changes in latitudes, changes in attitudes
A D D7
Nothing remains quite the same
G D
With all of my running and all of our cunning
A G D D
If we couldn't laugh we would all go insane

[Verse 2]

D G
Reading departure signs in some big airport
A D
Reminds me of the places I've been
D G
Visions of good times that brought so much pleasure
A D
Makes me want to go back again
Bm7 F#m
If it suddenly ended tomorrow

G A
 I could somehow adjust to the fall
 G D
 'Cause good times and riches and son-of-a-b***** (alternate lyric "submarine witches")
 A D
 I've seen more than I can recall, it's these

[Chorus]

G D
 Changes in latitudes, changes in attitudes
 A D D7
 Nothing remains quite the same
 G D
 Through all of the islands and all of the highlands
 A G D D
 If we couldn't laugh we would all go insane

INTERLUDE (4 beats each):

G D A A(2) D D

[Verse 3]

D G
 I think about Paris when I'm high on red wine
 A D
 And I wish I could jump on a plane
 D G
 So many nights I just dream of the ocean
 A D
 God, I wish I was sailin' again
 Bm7 F#m
 Oh yesterday's over my shoulder
 G A
 So I can't look back for too long
 G D
 There's just too much to see waiting in front of me
 A D
 And I know that I just can't go wrong, with these

[Chorus]

G D
 Changes in latitudes, changes in attitudes
 A D D7
 Nothing remains quite the same

G D
 With all of my running and all of our cunning
 A G D
 If I couldn't laugh I just would go insane
 A G D
 If we couldn't laugh we just would go insane
 A
 If we weren't all crazy we
 G A
 Wou-----ld go-o in-
 G D A D
 Sane.
