I'm sailing a - way
                                           G
Set an open course for the virgin sea
          C   Em   Am   (Am - G - F)
Cause I've got to be free

                              G
free to face the life that's a - head of me
Am   **G**
... On board I'm the captain ... so climb aboard
Am   **G**
... We'll search for tomorrow ... on every shore
          C   Em   Am (Am - G - F)   **G   C**
And I'll try, oh Lord I'll try   to car - ry on

C Dm Em Dm C G

C Em   Am   (Am - G - F)
I look to the sea

                                   G
reflections in the waves spark my memory
C   Em   Am   (Am - G - F)
Some happy some sad

                              G
I think of childhood friends and the dreams we had
Am   **G**
... We live happily forever ... so the story goes
Am   **G**
... But somehow we missed out ... on that pot of gold
          C   G   **Am (Am - G - F)**   **G C**
But we'll try best that we can   to car - ry on
