

The Cascades, written by John Gummoe, key of C original E, April 2026

C Listen to the rhythm of the falling rain

C Telling me just what a fool I've been

C I wish that it would go and let me cry in vain

C And let me be a-lone a-gain ...

C Now the only girl I've ever loved has gone away

C Looking for a brand new start

C Little does she know that when she left that day

C A-long with her she took my heart

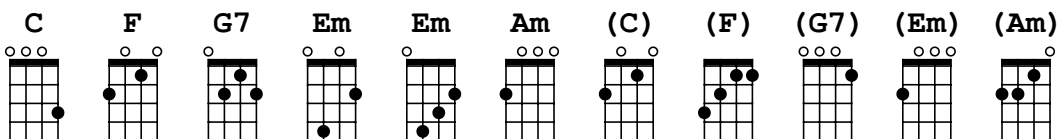

F Rain please tell me now does that seem fair

F For her to steal my heart away when she don't care

Am I can't love another when my heart's

C Somewhere far away ...
